PROFILE:

Vincent is one of the practice Technical Directors and also acts as a Group Leader. He has been working as a landscape architect for over 14 years. He has worked for a broad range of practices, both in the public and private sectors. Vincent's core strength is working with multi-disciplinary teams, producing concept designs and producing robust construction information.

Vincent has worked on many prestigious schemes and was project landscape architect responsible for the design and detailing of streets, plazas and roof landscapes at The Greenwich Millennium Village, and a small public plaza off Chancery Lane, London. He is currently responsible for the masterplanning and landscape design at Lingfield Park Racecourse and is overseeing a wider variety of projects across the development sectors including a number of high quality residential developments on both brown and green field sites. He is a team leader responsible for a group of 7 landscape architects and forms part of the management team.
